Pelican News

18 March 2022

After the busyness of the past couple of weeks celebrating World Book Day along with Maths and Science week, we have enjoyed a welcome return to normal this week. As much as we all enjoy dressing up and taking the curriculum off piste it is also good to return to it and get our heads back down to more routine tasks. That is not to say we haven't embraced other opportunities which have presented themselves to us such as Year 2 visiting Pyrland Farm, Nursery enjoying a day at Animal Farm Adventure Park, Reception being wowed by Mrs Cole in the Science labs as she demonstrated some whizz-tastic experiments and enjoying watching the Year 6 play. Year 1 were also due to head out to explore the local community this week but sadly, with Covid still floating about we were forced to postpone this until next week when we hope the weather remains just as glorious!

Grandparent's Afternoon

This is an advanced warning to let the children's Grandparents (or special people in their lives who take the place of their Grandparents) know that they are invited into school on the afternoon of Friday 22 April so we can celebrate the special relationships they have together. We have hosted this event a few times in the past but haven't had the opportunity in recent years for obvious reasons. The afternoon will include them being entertained at a special assembly, being taken on a grand tour of Pre-Prep where there will be an activity or two for them to take part in and culminate with being served a cream tea. I would be grateful if you could let me know if your child's grandparent/s will be attending to ensure we cater accordingly.

Summer Term Hobbies

Hopefully you will find a hobby form for next term along with this week's Pelican News which I urge you to complete as soon as possible and return to me either as an email attachment, an email with hobbies listed or as a hard copy. Please note most hobbies have a maximum capacity and so operate on a first-come-first-served basis.

Please also note hobbies marked with an asterix have an additional charge which will be added to your child's school bill. It is also worth reminding you that these hobbies require a term's written notice if your child no longer wishes to take part.

Ukuleles will be provided for children in Years 1 and 2 who choose to join Mr Tribe's Ukulele Club.

Children in Y2 taking Ballet lessons need to give formal written notice by the end of this term if they no longer wish to continue these lessons into Y3.

Open Ballet Lessons

As is usual for the last Ballet lesson of the term, Miss Lily invites parents of the children taking ballet lessons to come along and watch the final lesson next Thursday in the Arts Centre.

Nursery / Reception: 3pm – 3.30pm

Year 1 / Year 2: 3.30pm - 4.00pm

Informal Concert

On Tuesday the following children have been nominated by their respective music teachers to perform in this term's Informal Concert at 3.30pm in the Arts Centre. Please can they bring their music and instrument where appropriate.

Reception: Frankie

Year 1: Amelia, Bertie, Gabriel, Ophelia and Rafaella

Year 2: Bethia, Bobbie and Pixie

Year 1 and 2 Parent-Teacher Meetings

Staff are looking forward to sharing your children's progress with you next week and hope you have all booked an appointment with your child's class teacher. If your appointment is after 4.30pm, your child is welcome to join TT Club without charge but MUST be booked in via the main school office by 12pm on Monday.

Lunch Menu

Week 2
