Please ensure the necessary parental controls are placed on mobile phones to ensure your child can only access age appropriate content, games and apps.

Some children also bring other gaming devices, ipads, laptops and Kindles. Again, please ensure they only have access to age appropriate content and games.

Jewellery should not be worn with the exception of one stud earring per ear.

Hair should be neat and tidy, and should not be dyed. Long hair must be tied back using a navy-blue hair ribbon/band.

As a school, smart watches are not permitted.

All items of uniform, sports kit and personal property should be clearly labelled and looped (where appropriate). Name tapes to be sewn into the back of the neck of all upper garments, into the back of the waistband of lower garments and lengthways from the top in socks. Towels to be looped and named at the centre of a long side. If you choose, large name tapes can be sewn on the outside of games and PE kit (including tracksuits). They should be positioned below the school logo and on the front hem of shorts and skirts. This will make it easy for games staff to check that boys and girls are wearing their own kit.
