King's College and King's College Prep are Woodard Schools. We are committed to safeguarding and promoting the safe welfare of children and young people, and expect all staff to share this commitment. This post is subject to an enhanced DBS check.

ABOUT THE SCHOOLS

King's provides continuous day and boarding education for girls and boys aged two to 18 years. It comprises King's College Prep which has approximately 300 children from 2 to 13 and a senior school with approximately 400 pupils from 13 to 18.

The schools are situated on separate sites in the south west of England and combine traditional values with state-of-the-art facilities. Both schools are run by one governing body, with many functions (marketing, strategy and finance for example) undertaken jointly.

King's College has a rich and welcoming family and community ethos. Just over 60% of the pupils board. For a relatively small school, it has an enviable record of success in all areas.

The school has regularly topped GCSE and

A-level league tables for Somerset. A broad range of co-curricular activities is offered, and the school is renowned for its success in sport, music, performing arts, fine art, design technology and outdoor pursuits. In many of these activities our pupils have achieved success at national and even international levels.

Good discipline is encouraged in a firm and positive way within a supportive pastoral framework. King's College is strong on manners and social skills. Pupils go on to thrive at good universities and in their professional careers. In short, King's is a purposeful, outward-looking, down-to-earth, highly successful school.

A RURAL COUNTY OF ROLLING HILLS

Taunton is surrounded by natural beauty, with the Blackdowns, Mendips and Quantock Hills on the doorstep, plus Exmoor National Park, the Somerset Levels and Dartmouth are a short drive away.

Somerset is renowned for its cheddar cheese and cider. A wealth of apple orchards once made Somerset the cider capital of the UK, whilst the Cheddar Gorge caves are still used to mature cheese today.

Taunton is the county town of Somerset, in the South West of England. It is a busy market town located between junction 25 and 26 on the M5.

A growing commercial and residential centre, Taunton has a splendid small theatre, the County Cricket Ground, a successful rugby club, a delightful museum, the usual shopping outlets and restaurants, and a regular farmers' market.

If you love the great outdoors, you can be on the beach in 40 minutes and the Quantocks are just 15 minutes away. For those who prefer city lights, the fast West Country train service reaches Paddington in under two hours. By car, Exeter is 25 minutes south, Bristol 35 minutes north and you can reach Bath in about an hour.
